Ideas for Use and Artist Note

In this collection, you have eighteen unique perfectly imperfect hand-drawn pieces of art that await you bringing them to life, with color and depth.

They were designed with the idea that after you've enjoyed a relaxing time coloring, each can be framed individually or as a collection, and hung as part of your decor. Or, gift them by the page, a few or all. For gifting, the back of each piece has dedicated space to include and note to the recipient.
